November 2010

We Are Back in Action!

We are excited to announce that The Chapter has been spared the scrap heap and has very recently obtained volunteers for the vacated chapter officer positions.

Information regarding these nominations will be submitted by e-mail and set for a vote. If you have any questions about this post please contact either Pat Heins or Brian Cone.

We hope to inaugurate the revitalized chapter by setting up a meeting by December so we can have on record a gathering in 2010. It is imperative that we show activity for the national association. Please keep your eyes open for the date, time and location of this meeting and plan on attending. If you know of other CHMM's who are missing in action, please inform them about this chapter. We are hoping to generate enthusiasm and have volunteers who are excited about lining up new speakers, having joint meetings with other related associations and offering new facility tours. We know you are all very busy as I well know and getting to meetings with busy schedules and conflicts can be a chore. Hopefully, we can pique your interest in the coming year.

I would like to personally thank, the outgoing, hardworking President, Brian Cone for his efforts at the helm of this awesome group. Brian works super hard at his job and is involved with many other personal obligations. I was more involved with the chapter back when meetings were held at Reed College and contributed to the Desk Reference. I hope to see you in the coming year.

Our next meeting is December 8

We are going to hold a CHMM meeting on December 8, 2010 at AMEC's offices located at 7376 SW Durham Road, Portland, OR at 7:00 pm. The meeting will include elections to fill the currently vacant chapter board positions and a presentation by Greg Baker.

Light snack foods will be provided. Please RSVP with Pat Heins at: pheins@ch2m.com for catering purposes.

**Note: We have a new and improved web site!
Check us out at: www.achmmpdx.org**

We would like to thank GeoEngineers for covering the costs of the web hosting and design fees and Creekside Environmental for donating the additional domain names.
